### **Declaration of E-filing Election**

Registration as an E-Filer enables you to file any or all of your pleadings with the Board in electronic form. Registration also means you consent to accept service of all pleadings filed by other registered E-Filers and all documents issued by the Board in electronic form. You will receive notice of these documents at the e-mail address you provided the Board. The e-mail will include a link that takes you to the Repository at E-Appeal Online, where you can access and download the pleading or Board issuance as a PDF document. If registered as an E-Filer, you may file any pleading, or portion of a pleading, by non-electronic means. You can withdraw your registration as an e-filer at any time.

I hereby add myself as an entity to the case and register as an e-filer.
