

**UNITED STATES OF AMERICA
MERIT SYSTEMS PROTECTION BOARD
WASHINGTON REGIONAL OFFICE**

MARTIN AKERMAN,
Appellant,

DOCKET NUMBER
DC-0752-23-0457-I-1

v.

DEPARTMENT OF THE ARMY,
Agency.

DATE: May 19, 2023

ORDER REJECTING THE APPELLANT'S SUBMISSIONS

On May 18 and 19, 2023, the appellant faxed numerous documents to the Washington Regional Office. These documents appear to be extraneous, duplicative, and a “document dump” for filing in this appeal. It also appears the appellant is attempting to submit documents from cases he has filed with the Nevada Supreme Court and the United States Court of Appeals for the Fourth Circuit. I have advised the appellant of the proper way to submit documents in this appeal, and I explicitly informed him that I will not accept “document dumps” or duplicative or extraneous documents in the record. Appeal File, Tab 6. Accordingly, the appellant’s May 18 and 19, 2023 submissions via facsimile are **REJECTED** and will not be considered or maintained in the Board’s repository.

FOR THE BOARD:

/S/
Joshua Henline
Administrative Judge
