DOCKET NUMBER

v.

DEPARTMENT OF THE ARMY,
Agency.

DATE: May 23, 2023

SECOND ORDER REJECTING SUBMISSION

On May 23, 2023, the appellant filed a submission with the Board titled Pending Response and Notification of Interlocutory Appeal. This submission contains the same documents that I rejected earlier today. *See* Appeal File, Tab 46. For the reasons stated in the Order Rejecting Submission, AF, Tab 46, the appellant's above referenced submission is **REJECTED**. Accordingly, this submission will be removed from the Board's repository.

The appellant also noted in his submission that he plans to file other submissions that are unrelated to Board jurisdiction. The appellant is hereby given notice that absent good cause, his future submissions that fail to address the jurisdictional and/or timeliness issues in this appeal will be rejected until I determine whether the Board has jurisdiction. Thus, the appellant should file only one additional submission in this appeal addressing the jurisdictional and timeliness issues. Moreover, in the event he files additional pleadings and I do not reject them, I do not intend to address them until after the close of record.

The appellant is again reminded that if he continues to fail to follow my orders he may be sanctioned.
