

**UNITED STATES OF AMERICA
MERIT SYSTEMS PROTECTION BOARD
WASHINGTON REGIONAL OFFICE**

MARTIN AKERMAN,
Appellant,

DOCKET NUMBER
DC-0752-23-0457-I-1

v.

DEPARTMENT OF THE ARMY,
Agency.

DATE: May 22, 2023

**ORDER DENYING THE APPELLANT'S REQUEST FOR
RECONSIDERATION AND CORRECTIONS ON THE RECORD**

On May 22, 2023, the appellant filed a request for reconsideration and correction of the record. *See* Appeal File (AF), Tab 42. After review of his request, it is **DENIED**.

I must note that despite my explicit warning concerning the appellant's repeated filings of frivolous and meritless motions, he filed this request for reconsideration and corrections. Specifically, nothing has changed in fact or law since I issued the Order Denying Motion for Special Panel – and the appellant failed to cite any update in the law that would permit such a special panel. In fact, his now repeated request for a special panel has no foundation in law. As such, I find this request for reconsideration to be frivolous and meritless. The appellant is again warned that if he continues to violate Board regulations and my orders, he may be sanctioned. *See* AF, Tab 41.
